User Manual

Computer Desk
GR-002

Dear Customer,

Thank you for choosing our products.

We are pleased to offer you appliances and devices designed and manufactured to the highest standards of quality, functionality, and design. Before using the device, please read this manual carefully. It contains important information regarding your safety, as well as recommendations for the proper use and care of the product. Please keep this manual in a safe place and use it as a reference guide during future operation of the product.

Intended Use

A computer desk is designed to provide comfortable working conditions while using a computer.

Safety Precautions

- Use the product only for its intended purpose.
- Do not exceed the maximum weight capacity.
- Do not carry the product by holding the tabletop.
- Assemble the product strictly in accordance with the supplied user manual.
- This product is designed for indoor use only (home, office, or similar environments).
- Avoid contact with caustic or abrasive substances. Use specialized cleaning agents for furniture care. Damp wiping is allowed, provided that moisture is removed afterward.
- Place the product at a distance of at least 1 meter from heating appliances and heat sources.
- Avoid using the product in conditions of extreme humidity or dryness for extended periods, especially if these conditions alternate frequently. Over time, this may affect the integrity of the furniture. If such conditions occur, ventilate the room regularly and use dehumidifiers or humidifiers as needed to normalize humidity levels.
- Avoid direct sunlight on the furniture. Prolonged direct sunlight on certain areas may cause discoloration.
- Do not place hot objects on the furniture.
- Periodically check the tightness of the screw connections of the transformation mechanisms and tighten them if necessary.
- Do not place the furniture near damp or wet walls and objects.
- Do not stand or jump on the furniture, and avoid subjecting it to excessive dynamic loads.
- Extreme heat or cold, as well as sudden temperature changes, may seriously damage the furniture or its parts.

Assembly

1. Side panel	494 × 728 mm	1 pc
2. Side panel	494 × 728 mm	1 pc
3. Apron	1020 × 290 mm	1 pc
4. Desktop	1200 × 8500 mm	1 pc

Confirmat screw fastening

Specifications

- Model: GR-002.
- Trademark: Aceline.
- Max. load: 15 kg.
- Dimensions: 1200 × 750 × 850 mm.
- Material: Laminated chipboard.
- Scope of application: Domestic.

Package Contents

- Desk.
- Assembly kit.
- User manual.
- Insert.

Rules and Conditions for Installation, Storage, Transportation, Sale (Distribution), and Disposal

- The installation and mounting conditions for the device are described in the “Assembly” section of this user manual.
- The device must be stored in its original packaging, on heated premises, both at the manufacturer’s and at the consumer’s sites. The ambient temperature should be between +5 °C and +40 °C, and the relative humidity should not exceed 80% (non-condensing). The storage area must be free from aggressive contaminants (e.g., acid or alkali vapors) that could cause corrosion.
- The device must be transported in a dry place.
- The device requires careful handling. Protect it from exposure to dust, dirt, impact, moisture, fire, and other hazards.
- Sale or distribution of the product must be carried out in accordance with local legislation.
- Disposal of this device must be carried out in accordance with local waste recycling regulations. By ensuring proper disposal of this product, you help prevent potential harm to the environment and human health resulting from uncontrolled waste disposal and promote the sustainable reuse of material resources. For more detailed information on collection and disposal points for this product, please contact your local municipal authorities or household waste collection service.
- If product damage is detected, immediately contact an authorized service center or dispose of the product.

Warranty Information

The manufacturer guarantees the device will function properly throughout the warranty period and be free from defects in materials and assembly. The warranty period commences on the date of purchase and applies to new products only. Warranty service includes free repair or replacement of defective parts that fail during the warranty period, provided the failure is not caused by consumer misuse and the product is operated in accordance with the user manual. Repairs or part replacements shall be performed at authorized service centers.

Warranty Period: 36 months

Service Life: 36 months
