User Manual

Gaming Chair
RB-008

Dear Customer,

Thank you for choosing our products.
We are pleased to offer you appliances and devices designed and manufactured to the highest standards of quality, functionality, and design. Before using the device, please read this manual carefully. It contains important information regarding your safety, as well as recommendations for the proper use and care of the product. Please keep this manual in a safe place and use it as a reference guide during future operation of the product.

Intended Use

The chair is designed to provide comfortable working conditions.

Safety Precautions

- Do not subject the chair to a load exceeding the maximum permissible weight.
- When using the chair in the immediate vicinity of heating appliances, its surface must be protected from heat during operation. The temperature of the furniture components must not exceed +40 °C.
- Do not use the chair near open flames.
- During operation, prevent water and other liquids from coming into contact with the parts of the furniture touching the floor.
- Assemble the product strictly in accordance with the provided instructions.
- If delivered during the cold season (at an air temperature below 0 °C) into a location with room temperature, wait 2 hours before assembling the product to avoid cracks in the plastic and gas lift malfunctions.
- Chairs and stools must be operated in a ventilated room at an air temperature of at least +10 °C and a relative humidity of 60–70%.
- The fastening of the chair parts (backrest, armrests) requires regular inspection; tighten the screws if necessary.
- Do not stand on the seat of the chair or stool with your feet, as this may lead to falling and injury.
- Before the first use of the chair, check the functionality of all mechanisms.
- Avoid direct sunlight, placement near heating appliances, and damp or cold walls to prevent deterioration of appearance and operational properties (staining, material scorching, upholstery wear).
- Use a dry or slightly damp cotton cloth or sponge to clean the product. When using cleaning agents, it is recommended to test the agent on a small, inconspicuous area of the product first to ensure no damage or discoloration occurs. The use of organic solvents for cleaning the product is not permitted.

Specifications

- Model: RB-008.
- Trademark: Aceline.
- Weight limit: 120 kg.
- Upholstery material*: Faux leather / fabric.
- Base material: Plastic.
- Base width: 535 mm.
- Chair height: 1155–1223 mm.
- Chair width: 655 mm.
- Seat height: 431–498 mm.
- Seat dimensions (W × D): 520 × 510 mm.
- Backrest dimensions (W × H): 565 × 785 mm.
- Weight: 15.9 kg.

Package Contents

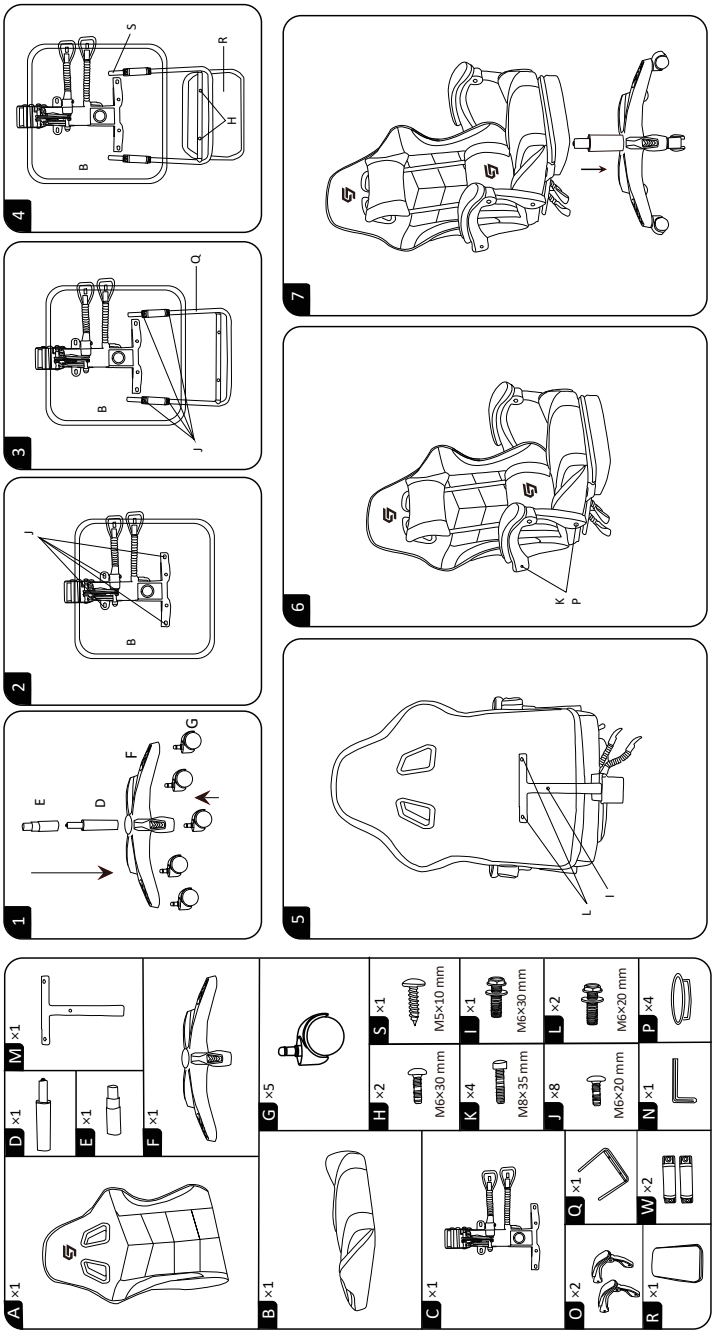

- Assembly kit.
- User manual.

Rules and Conditions for Installation, Storage, Transportation, Sale (Distribution), and Disposal

- The installation and mounting conditions for the product are described in the «Assembly» section of this user manual.
- The product must be stored in its original packaging, on heated premises, both at the manufacturer's and at the consumer's sites. The ambient temperature should be between +5 °C and +40 °C, and the relative humidity should not exceed 80% (non-condensing). The storage area must be free from aggressive contaminants (e.g., acid or alkali vapors) that could cause corrosion.
- The product must be transported in a dry place.
- The product requires careful handling. Protect it from exposure to dust, dirt, impact, moisture, fire, and other hazards.
- Sale or distribution of the product must be carried out in accordance with local legislation.
- Disposal of this product must be carried out in accordance with local waste recycling regulations. By ensuring proper disposal of this product, you help prevent potential harm to the environment and human health resulting from uncontrolled waste disposal and promote the sustainable reuse of material resources. For more detailed information on collection and disposal points for this product, please contact your local municipal authorities or household waste collection service.
- If product damage is detected, immediately contact an authorized service center or dispose of the product.

* The upholstery material may vary depending on the package contents.
