User Manual

Computer Desk
SP-131-24.03

Dear Customer,

Thank you for choosing our products.

We are pleased to offer you appliances and devices designed and manufactured to the highest standards of quality, functionality, and design. Before using the device, please read this manual carefully. It contains important information regarding your safety, as well as recommendations for the proper use and care of the product. Please keep this manual in a safe place and use it as a reference guide during future operation of the product.

Intended Use

A computer desk is designed to provide comfortable working conditions while using a computer.

Safety Precautions

- Use the product only for its intended purpose.
- Do not exceed the maximum permissible load.
- Do not carry the product by holding the desktop.
- Assemble the product strictly in accordance with the enclosed user manual.
- This product is intended for indoor use only (home, office, or similar environments).
- Do not allow the product to come into contact with caustic or abrasive substances. Use specialized cleaning agents when caring for the furniture. Damp cleaning is permitted, followed by wiping the surface dry.
- Place the product at least 1 meter away from heating appliances and other heat sources.
- Prolonged exposure to extreme humidity or dryness, especially if such conditions alternate periodically, is not recommended, as this may affect the integrity of the furniture and its components over time. If such conditions occur, it is recommended to ventilate the room frequently and, where possible, use a dehumidifier or humidifier to normalize humidity levels.
- Do not allow direct sunlight to fall on the furniture. Prolonged direct sun exposure on certain areas may cause discoloration.
- Do not place hot objects on the furniture.
- It is recommended to periodically check the tightness of the threaded fasteners used in the transformation mechanisms and retighten them as needed.
- Do not place the furniture near damp or wet walls or objects.
- Do not stand or jump on the furniture, or subject it to excessive dynamic loads.
- Extreme heat or cold, as well as sudden temperature changes, may seriously damage the furniture or its components.

Assembly Instructions

Part	Name	Amount
	Dowel	8
	Eccentric cam connector 16	8
	Cabinet-to-cabinet connector 29 x 8	4
	Adjustable leveler	6
	Confirmat screw 7 x 50	12

Specifications

- Model: SP-131-24.03.
- Trademark: Aceline.
- Maximum load: 80 kg.
- Dimensions (W × D × H): 1400 × 890 × 760 mm.
- Panel thickness: 18 mm.
- Material: Laminated Particleboard (LPB).
- Scope of application: Domestic.

Package Contents

- Assembly kit:
 - Side panels (6 pcs, 734 × 342 mm).
 - Desktop (1400 × 890 mm).
 - Divider panel (168 × 216 mm).
 - Shelf (1264 × 218 mm).
 - Conformat screws (12 pcs).
 - Dowels (8 pcs).
 - Eccentric cam connectors (8 pcs).
 - Eccentric cam covers (8 pcs).
 - Cabinet-to-cabinet connectors (4 pcs).
 - Adjustable levelers (6 pcs).
- User Manual.

Rules and Conditions for Installation, Storage, Transportation, Sale (Distribution), and Disposal

- The installation and mounting conditions for the product are described in the «Assembly Instructions» section of this user manual.
- The product must be stored in its original packaging, on heated premises, both at the manufacturer's and at the consumer's sites. The ambient temperature should be between +5 °C and +40 °C, and the relative humidity should not exceed 80% (non-condensing). The storage area must be free from aggressive contaminants (e.g., acid or alkali vapors) that could cause corrosion.
- The product must be transported in a dry place.
- The product requires careful handling. Protect it from exposure to dust, dirt, impact, moisture, fire, and other hazards.
- Sale or distribution of the product must be carried out in accordance with local legislation.
- Upon expiration of the product's service life, it must not be disposed of with unsorted household waste. Instead, it must be taken to an authorized collection point for electrical and electronic equipment for subsequent recycling and disposal in accordance with federal or local legislation. By ensuring proper disposal of this product, you help conserve natural resources and prevent potential harm to the environment and human health that may result from improper handling. For more detailed information about collection and disposal points for this product, please contact your local municipal authorities or your household waste disposal service.
- If product damage is detected, immediately contact an authorized service center or dispose of the product.

Warranty Information

The manufacturer guarantees the device will function properly throughout the warranty period and be free from defects in materials and assembly. The warranty period commences on the date of purchase and applies to new products only. Warranty service includes free repair or replacement of defective parts that fail during the warranty period, provided the failure is not caused by consumer misuse and the product is operated in accordance with the user manual. Repairs or part replacements shall be performed at authorized service centers.

Warranty Period: 36 months

Service Life: 36 months
