

## User Manual

### Dear Customer,

Thank you for choosing our products.

We are pleased to offer you appliances and devices designed and manufactured to the highest standards of quality, functionality, and design. Before using the device, please read this manual carefully. It contains important information regarding your safety, as well as recommendations for the proper use and care of the product. Please keep this manual in a safe place and use it as a reference guide during future operation of the product.

### Intended use

The mouse is a device for controlling the cursor and issuing various commands to the computer.

### Safety Precautions

- Do not make any modifications to the device's design.
- Do not expose the device to electromagnetic radiation.
- To avoid a short circuit, do not expose the device to any liquids, and do not place open containers of liquid near it.
- This device is not intended for commercial use.
- This device is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of appliance by a person responsible for their safety. Children should be supervised to ensure that they do not play with the device.

### Operating Instructions

#### 2,4G Connection

1. Insert the dongle into a USB port on your computer.
2. Wait for the hardware installation wizard to complete.
3. The device is ready for use.

#### Bluetooth Connection

1. Turn on the power. The indicator will start flashing after 8 seconds, and the device will enter Bluetooth pairing mode.
2. Connect the Bluetooth device in your PC settings.
3. The device is ready for use.

### Specifications

- Model: WM-S511.
- Trademark: Aceline.
- Sensor resolution: 1200 dpi.
- Mouse type: Wireless.
- Silent click: Yes.
- Key type: Touch.
- Backlight: No.
- Power specifications: 3,7 V – 15 mA.
- Dimensions: 113 × 57 × 22 mm.
- Weight: 83 g.
- Wireless standard Bluetooth and 2.4G: IEEE 802.15.
- Radio spectrum: 2400–2483,5 MHz.
- Transmit power: < 100 mW.

### Package contents

- Mouse.
- Dongle.
- Cable.
- User manual.

## Warranty Information

The manufacturer guarantees the device will function properly throughout the warranty period and be free from defects in materials and assembly. The warranty period commences on the date of purchase and applies to new products only. Warranty service includes free repair or replacement of defective parts that fail during the warranty period, provided the failure is not caused by consumer misuse and the product is operated in accordance with the user manual. Repairs or part replacements shall be performed at authorized service centers.

**Warranty Period:** 12 months.

**Service Life:** 24 months.

## Rules and Conditions for Installation, Storage, Transportation, Sale (Distribution), and Disposal

- This device requires no assembly or mounting.
- The device must be stored in its original packaging, on heated premises, both at the manufacturer's and at the consumer's sites. The ambient temperature should be between +5 °C and +40 °C, and the relative humidity should not exceed 80% (non-condensing). The storage area must be free from aggressive contaminants (e.g., acid or alkali vapors) that could cause corrosion.
- The device must be transported in a dry place.
- The device requires careful handling. Protect it from exposure to dust, dirt, impact, moisture, fire, and other hazards.
- Sale or distribution of the device must be carried out in accordance with local legislation.
- Upon expiration of the device's service life, it must not be disposed of with unsorted household waste. Instead, it must be taken to an authorized collection point for electrical and electronic equipment for subsequent recycling and disposal in accordance with federal or local legislation.
- If a device malfunction is detected, immediately contact an authorized service center or dispose of the device.
