

CL12  
**MISTRAL**  
*COOLER FAN*

## Dear Customer,

Thank you for your trust!

Our team fully shares your passion for computer games, which is why we put all our efforts into making your gaming experience unforgettable with our accessories for gamers. Wishing you new victories and the brightest impressions ahead!

## Intended Use

The device is designed to dissipate heat from the internal space of the system unit.

## Safety Precautions

- Do not make any modifications to the device's design.
- This device is not intended for commercial use.
- This device is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of appliance by a person responsible for their safety. Children should be supervised to ensure that they do not play with the device.
- Do not disassemble the device yourself to avoid electric shock. This device contains no user-serviceable parts.
- Maintenance and repairs should only be performed by qualified technicians at an authorized service center.

## Installation and Power Connection

1. Turn off the computer, disconnect it from the power source completely, and remove the side panel.
2. Secure the fan to the case wall using the included mounting kit.
3. Connect the fan's Molex connector to a corresponding connector from the power source.

## Specifications

- Trademark: Ardor Gaming
- Model: CL12
- Dimension: 120 × 120 × 25 mm
- Power supply: 12 V, 0.3 A
- Maximum noise level: 25.5 dBA
- LED backlight
- Rotation speed: 1200 RPM (± 10%)
- Airflow: 52.46 CFM
- Bearing type: Hydrodynamic
- Connector: Molex
- Scope of application: Domestic
- Package contents: fan, mounting kit, user manual

## Rules and Conditions for Installation, Storage, Transportation, Sale (Distribution), and Disposal

- The installation and mounting conditions for the device are described in the “Installation and Power Connection” section of this user manual.
- The device must be stored in its original packaging, on heated premises, both at the manufacturer’s and at the consumer’s sites. The ambient temperature should be between +5 °C and +40 °C, and the relative humidity should not exceed 80% (non-condensing). The storage area must be free from aggressive contaminants (e.g., acid or alkali vapors) that could cause corrosion.
- The device must be transported in a dry place.
- The device requires careful handling. Protect it from exposure to dust, dirt, impact, moisture, fire, and other hazards.
- Sale or distribution of the product must be carried out in accordance with local legislation.
- Disposal of this device must be carried out in accordance with local waste recycling regulations. By ensuring proper disposal of this product, you help prevent potential harm to the environment and human health resulting from uncontrolled waste disposal and promote the sustainable reuse of material resources. For more detailed information on collection and disposal points for this product, please contact your local municipal authorities or household waste collection service.
- If product damage is detected, immediately contact an authorized service center or dispose of the product.

## Warranty Information

The manufacturer guarantees the device will function properly throughout the warranty period and be free from defects in materials and assembly. The warranty period commences on the date of purchase and applies to new products only. Warranty service includes free repair or replacement of defective parts that fail during the warranty period, provided the failure is not caused by consumer misuse and the product is operated in accordance with the user manual. Repairs or part replacements shall be performed at authorized service centers.

**Warranty Period:** 12 months

**Service Life:** 24 months
