User Manual

Dear Customer,

Thank you for your trust!

Our team fully shares your passion for computer games, which is why we put all our efforts into making your gaming experience unforgettable with our accessories for gamers. Wishing you new victories and the brightest impressions ahead!

Intended Use

The keyboard is an input device designed for typing text and issuing commands to the computer.

Safety Precautions

- Do not make any modifications to the device's design.
- Do not expose the device to electromagnetic radiation.
- Do not expose the device to moisture, dust, or extreme temperatures, as this may damage it.
- To prevent short circuits, do not allow the device to come into contact with any liquids, and do not place open containers of liquid near it.
- If you notice any malfunction, stop using the device immediately and contact an authorized service center.
- This device is not intended for use by children or persons with reduced physical, sensory, or mental capabilities, unless they are supervised by a person responsible for their safety. Do not allow children to play with the device.
- This device is not intended for commercial use.

Specifications

- Model: AG-ODM-RA87OK-AR
- Trademark: ARDOR GAMING
- Power supply: 5 V = 500 mA
- Switch lifespan: Up to 100 million keystrokes
- Total number of keys: 87
- Switch type: Magnetic
- Number of pins: 2
- Lubricated stabilizers
- Total travel: 3.5 mm
- Actuation point: 2 mm
- Actuation force: 45 gf
- RGB backlight, 19 + 3 DIY modes
- Proprietary software
- Anti-ghosting technology
- Manufacturing technology: Double injection
- Compatibility: Windows
- Housing material: Plastic
- Keycap material: PBT
- Keycap profile: OEM
- Weight: 993 g
- USB cable: 1.8 m, braided
- Device dimensions (W × D × H): 364.8 × 140.7 × 38.1 mm
- Scope of application: Domestic

Package Contents

- Device
- USB cable
- Dual keycap puller
- Extra switches
- User manual

FN + F3	Home screen / Mission Control
FN + F4	Mission Control / Launchpad
FN + F7	Previous track
FN + F8	Play/pause
FN + F9	Next track
FN + F10	Mute
FN + F11	Decrease volume
FN + F12	Increase volume
Left/Right CTRL	Control
Left ALT	Option
Left WIN	Command

LED Indication

- The Caps Lock indicator lights up white when the **CAPS** key is pressed. Pressing the key again turns the indicator off.
- The Scroll Lock indicator lights up white when the **SCR** key is pressed. Pressing the key again turns the indicator off.
- When the Win key is locked, it lights up white. Pressing the key again turns the indicator off.

Custom Key Backlight Mode (Design It Yourself)

You can create a custom lighting mode and choose which keys will be illuminated.

1. Press one of the key combinations (FN + Z, FN + X, or FN + C) to enter custom backlight configuration mode.
2. Then press FN + V to start recording your settings — the FN key indicator will start flashing white.
3. Once you have set up the desired backlight effect, press FN + V again to save it.
4. To preview the created effect, press the key combination you configured it for (FN + Z, FN + X, or FN + C).

Rules and Conditions for Installation, Storage, Transportation, Sale (Distribution), and Disposal

- This device requires no assembly or mounting.
- The device must be stored in its original packaging, on heated premises, both at the manufacturer's and at the consumer's sites. The ambient temperature should be between +5 °C and +40 °C, and the relative humidity should not exceed 80% (non-condensing). The storage area must be free from aggressive contaminants (e.g., acid or alkali vapors) that could cause corrosion.
- The device must be transported in a dry place.
- The device requires careful handling. Protect it from exposure to dust, dirt, impact, moisture, fire, and other hazards.
- Sale or distribution of the device must be carried out in accordance with local legislation.
- Upon expiration of the device's service life, it must not be disposed of with unsorted household waste. Instead, it must be taken to an authorized collection point for electrical and electronic equipment for subsequent recycling and disposal in accordance with federal or local legislation. By ensuring proper disposal of this product, you help conserve natural resources and prevent potential harm to the environment and human health that may result from improper handling. For more detailed information about collection and disposal points for this product, please contact your local municipal authorities or your household waste disposal service.
- If a device malfunction is detected, immediately contact an authorized service center or dispose of the device.

Warranty Information

The manufacturer guarantees the device will function properly throughout the warranty period and be free from defects in materials and assembly. The warranty period commences on the date of purchase and applies to new products only. Warranty service includes free repair or replacement of defective parts that fail during the warranty period, provided the failure is not caused by consumer misuse and the product is operated in accordance with the user manual. Repairs or part replacements shall be performed at authorized service centers.

Warranty Period: 24 months

Service Life: 36 months
