ARDOR GAMING Ranger V2

Руководство по эксплуатации

Dear Customer,

Thank you for your trust!

Our team fully shares your passion for computer games, which is why we put all our efforts into making your gaming experience unforgettable with our accessories for gamers. Wishing you new victories and the brightest impressions ahead!

Intended Use

The keyboard is an input device designed for typing text and issuing commands to the computer.

Safety Precautions

- Do not make any modifications to the device's design.
- Do not expose the device to electromagnetic radiation.
- Protect the device from moisture, dust, and extreme temperatures.
- To avoid a short circuit, do not expose the device to any liquids, and do not place open containers of liquid near it.
- Do not use the device if visible damage is detected. Unplug it immediately and contact an authorized service center.
- This device is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of appliance by a person responsible for their safety. Children should be supervised to ensure that they do not play with the device.
- This device is not intended for commercial use.

Specifications

- Model: AG-ZC-R104PL-WV2
- Trademark: ARDOR GAMING
- Keyboard type: Membrane
- Key mechanism: Plunger
- Total number of keys: 104
- Number of RGB backlight modes: 11
- Switch lifespan: Up to 10 million keystrokes
- Material: Plastic, aluminum
- Power supply: 5 V = 300 mA
- 25 keys with Anti-Ghosting technology
- Compatibility: Windows
- USB cable: 1.8 m
- Keyboard dimensions: 452 × 172 × 41 mm

- Weight: 925 g
- Scope of application: Domestic

Package Contents

- Keyboard
- Stickers
- User manual

Getting Started

1. Connect the device to a USB connector on your computer using the cable.
2. Wait for the hardware installation wizard to complete on your computer.
3. The device is ready for use.

Custom Backlight Settings

1. Press FN + 7 twice to enter custom backlight setup mode. The keys on the left side of the keyboard will start flashing.
2. Press FN + ◀ or FN + ▶ keys to select the desired keyboard zone (4 zones in total).
3. To change the backlight color, press FN + ▲ or FN + ▼ keys.
4. To save the selected settings and exit custom backlight setup mode, press FN + 7.

Rules and Conditions for Installation, Storage, Transportation, Sale (Distribution), and Disposal

- This device requires no assembly or mounting.
- The device must be stored in its original packaging, on heated premises, both at the manufacturer's and at the consumer's sites. The ambient temperature should be between +5 °C and +40 °C, and the relative humidity should not exceed 80% (non-condensing). The storage area must be free from

aggressive contaminants (e.g., acid or alkali vapors) that could cause corrosion.

- The device must be transported in a dry place.
- The device requires careful handling. Protect it from exposure to dust, dirt, impact, moisture, fire, and other hazards.
- Sale or distribution of the device must be carried out in accordance with local legislation.
- If a device malfunction is detected, immediately contact an authorized service center or dispose of the device.
- Upon expiration of the device's service life, it must not be disposed of with unsorted household waste. Instead, it must be taken to an authorized collection point for electrical and electronic equipment for subsequent recycling and disposal in accordance with federal or local legislation. By ensuring proper disposal of this product, you help conserve natural resources and prevent potential harm to the environment and human health that may result from improper handling. For more detailed information about collection and disposal points for this product, please contact your local municipal authorities or your household waste disposal service.

Warranty Information

The manufacturer guarantees the device will function properly throughout the warranty period and be free from defects in materials and assembly. The warranty period commences on the date of purchase and applies to new products only. Warranty service includes free repair or replacement of defective parts that fail during the warranty period, provided the failure is not caused by consumer misuse and the product is operated in accordance with the user manual. Repairs or part replacements shall be performed at authorized service centers.

Warranty Period: 24 months.

Service Life: 36 months.
