Dear Customer,

Thank you for choosing our products.

We are pleased to offer you appliances and devices designed and manufactured to the highest standards of quality, functionality, and design. Before using the device, please read this manual carefully. It contains important information regarding your safety, as well as recommendations for the proper use and care of the product. Please keep this manual in a safe place and use it as a reference guide during future operation of the product.

Intended Use

The keyboard is an input device designed for typing text and issuing commands to the computer.

Safety Precautions

- Do not make any modifications to the device's design.
- To avoid a short circuit, do not expose the device to any liquids, and do not place open containers of liquid near it.
- Do not expose the device to electromagnetic radiation.
- This device is not intended for commercial use.
- This device is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of appliance by a person responsible for their safety. Children should be supervised to ensure that they do not play with the device.

Rechargeable Battery Guidelines (Li-pol/Li-ion)

- Use only the original charging cable with the device.
- Observe the temperature requirements. Batteries should be stored in a charged state at temperatures between +15°C and +35°C with normal humidity. Batteries do not perform well when operated for extended periods in extremely high (above +40°C) or low (below -10°C) ambient temperatures. Do not leave the battery in direct sunlight.

- Do not disassemble, incinerate, or use batteries that show signs of damage.

Specifications

- Model: DK-KMW1.
- Trademark: DEXP.
- Keyboard type: membrane.
- Connection type: wireless.
- Housing material: plastic.
- Battery capacity: 400 mA·h.
- Total number of keys: 105.
- Bluetooth RF specifications:
 - Wireless standard: IEEE 802.15.
 - Frequency range: 2400–2483.5 MHz.
 - Transmitter power: < 100 mW.
- 2.4G RF specifications:
 - Wireless standard: IEEE 802.15.
 - Frequency range: 2400–2483.5 MHz.
 - Transmitter power: < 100 mW.
- Multimedia functions: FN + F1–F12.
- Power supply: 3.7 V, 10 mA.
- Cable length: 1.5 m.
- Compatibility: Windows / Mac / Android.
- Scope of application: Domestic.

Device Diagram

1. Multimedia keys.
2. LED A indicator.
3. LED B indicator.
4. LED C indicator.
5. LED D indicator.

	Color	Function	Description
LED A	Green	Number Lock	Lights up when Num Lock is enabled
	Blue	Switch to 2.4G	Flashes once and turns off when switching is successful

	Color	Function	Description
LED B	Green	Caps Lock	Lights up when Caps Lock is enabled
	Blue	Pairing indicator	Flashes until BT1 pairing is successful
	Blue	Channel switch indicator	Flashes once and turns off when switching is successful
LED C	Green	Scroll Lock	Lights up when Scroll Lock is enabled
	Blue	Pairing indicator	Flashes until BT2 pairing is successful
	Blue	Channel switch indicator	Flashes once and turns off when switching is successful
LED D	Red	Low battery indicator	If the battery is low, the indicator lights up while typing
	Red	Charging indicator	Flashes during charging and turns off when charging is complete

Operating Instructions

2.4G Mode

This mode is set as the default when the keyboard is first turned on. Insert the receiver into the device you want to connect the keyboard to. The connection will take 5 seconds.

BT1 Mode

Press FN + BT1 (key "1") to switch to BT1 mode. Then press FN + K. The LED 1 indicator will flash blue. Find the keyboard name in Bluetooth settings and connect.

BT2 Mode

Press FN + BT2 (key "2") to switch to BT2 mode. Then press FN + K. The LED 2 indicator will flash blue. Find the keyboard name in Bluetooth settings and connect.

Switching Modes

Switch between the modes above by pressing FN + the 2.4G/ BT1/BT2 button. The corresponding LED indicator will flash blue once and turn off after successful connection.

Key Combinations

Keys	Android (FN + Q)	Windows (FN + W)	IOS (FN + E)
FN + F1	Decrease screen brightness		
FN + F2	Increase screen brightness		
FN + F3	Multitasking mode (Win + Tab)		
FN + F4	Home page		
FN + F5	Show desktop (Win + D)		
FN + F6	Search		
FN + F7	Previous track		
FN + F8	Play / Pause		
FN + F9	Next track		
FN + F10	Mute		
FN + F11	Decrease volume		
FN + F12	Increase volume		

Package Contents

- Keyboard
- User manual.

Rules and Conditions for Installation, Storage, Transportation, Sale (Distribution), and Disposal

- This device requires no assembly or mounting.
- The device must be stored in its original packaging, on heated premises, both at the manufacturer's and at the consumer's sites. The ambient temperature should be between +5 °C and +40 °C, and the relative humidity should not exceed 80% (non-condensing). The storage area must be free from aggressive contaminants (e.g., acid or alkali vapors) that could cause corrosion.
- The device must be transported in a dry place.
- The device requires careful handling. Protect it from exposure to dust, dirt, impact, moisture, fire, and other hazards.
- Sale or distribution of the device must be carried out in accordance with local legislation.
- Upon expiration of the device's service life, it must not be disposed of with unsorted household waste. Instead, it must be taken to an authorized collection point for electrical and electronic equipment for subsequent recycling and disposal in accordance with federal or local legislation. By ensuring proper disposal of this product, you help conserve natural resources and prevent potential harm to the environment and human health that may result from improper handling. For more detailed information about collection and disposal points for this product, please contact your local municipal authorities or your household waste disposal service.
- If a device malfunction is detected, immediately contact an authorized service center or dispose of the device.

Warranty Information

The manufacturer guarantees the device will function properly throughout the warranty period and be free from defects in materials and assembly. The warranty period commences on the date of purchase and applies to new products only. Warranty service includes free repair or replacement of defective parts that fail during the warranty period, provided the failure is not caused by consumer misuse and the product is operated in accordance with the user manual. Repairs or part replacements shall be performed at authorized service centers.

Warranty Period: 18 months

Service Life: 24 months
