## Dear Customer,

Thank you for choosing our products.

We are pleased to offer you appliances and devices designed and manufactured to the highest standards of quality, functionality, and design. Before using the device, please read this manual carefully. It contains important information regarding your safety, as well as recommendations for the proper use and care of the product. Please keep this manual in a safe place and use it as a reference guide during future operation of the product.

## Intended Use

The car mount is designed to securely hold mobile devices inside a vehicle.

## Safety Precautions

- If the mobile phone falls from the mount, pull over and stop the vehicle in a safe and legal manner to retrieve it. Do not attempt to pick up the phone while driving.
- Do not interact with this product or perform any actions that may distract you while driving.
- Do not install the mount on or near the vehicle's airbags.
- Regularly check the mount to ensure it is securely attached.
- Ensure that the mount does not obstruct the driver's view, interfere with vehicle operation, or obstruct any safety systems.
- This product is not intended for use by children or persons with reduced physical, sensory, or mental capabilities, unless they are supervised by a person responsible for their safety. Do not allow children to play with the product.
- This product is not intended for commercial use.

## Installation Instructions

1. Insert the joint into the swivel base and tighten the locking nut.

2. Wipe the windshield or dashboard with a dry, clean cloth, depending on your chosen mounting location.

3. Remove the protective film from the 3M adhesive tape.

4. Press the mount firmly onto the glass or dashboard for at least 20 seconds. Before proceeding to the next step, leave the mount undisturbed for 24 hours to ensure a secure bond.

5. Adjust the joint and the rotating base of the mount to your desired viewing angle.

6. Attach the metal plate to the inside (A) or outside (B) of your phone case.

7. Place your phone onto the mount.

#### Notes

- This mount is not suitable for attachment to leather or vinyl dashboards.
- Do not apply the mount to a cold surface. Ensure that both the surface and the adhesive are at a temperature above 20 °C before application.

#### Removing the Mount

- Carefully lift the edge of the mount's adhesive base using a thin card or plastic pry tool.
- Apply isopropyl alcohol to the adhesive base to help it detach more easily from the dashboard or glass.

## Specifications

- Model: i01-S9.
- Trademark: DEXP.
- Material: Plastic.
- Scope of application: Domestic.

## Package Contents

- Car mount.
- Magnetic plates (2 pcs).
- User Manual.

## Rules and Conditions for Installation, Storage, Transportation, Sale (Distribution), and Disposal

- This device requires no assembly or mounting.
- The device must be stored in its original packaging, on heated premises, both at the manufacturer's and at the consumer's sites. The ambient temperature should be between +5 °C and +40 °C, and the relative humidity should not exceed 80% (non-condensing). The storage area must be free from aggressive contaminants (e.g., acid or alkali vapors) that could cause corrosion.
- The device must be transported in a dry place.
- The device requires careful handling. Protect it from exposure to dust, dirt, impact, moisture, fire, and other hazards.
- Sale or distribution of the device must be carried out in accordance with local legislation.
- Upon expiration of the device's service life, it must not be disposed of with unsorted household waste. Instead, it must be taken to an authorized collection point for electrical and electronic equipment for subsequent recycling and disposal in accordance with federal or local legislation. By ensuring proper disposal of this product, you help conserve natural resources and prevent potential harm to the environment and human health that may result from improper handling. For more detailed information about collection and disposal points for this product, please contact your local municipal authorities or your household waste disposal service.
- If a device malfunction is detected, immediately contact an authorized service center or dispose of the device.

## Warranty Information

The manufacturer guarantees the device will function properly throughout the warranty period and be free from defects in materials and assembly. The warranty period commences on the date of purchase and applies to new products only. Warranty service includes free repair or replacement of defective parts that fail during the warranty period, provided the failure is not caused by consumer misuse and the product is operated in accordance with the user manual. Repairs or part replacements shall be performed at authorized service centers.

**Warranty Period:** 12 months

**Service Life:** 24 months
