User Manual

Gaming Chair
RB-003

DEXP

Dear Customer,

Thank you for choosing our products.
We are pleased to offer you products and devices designed and manufactured to the highest standards of quality, functionality, and design. Before using the product, please read this manual carefully. It contains important information regarding your safety, as well as recommendations for the proper use and care of the product. Please keep this manual in a safe place and use it as a reference guide during future operation of the product.

Intended Use

The chair is designed to provide comfortable working conditions.

Safety Precautions

- Do not subject the chair to a load exceeding the maximum permissible weight.
- Do not use the chair near open flames.
- When using the chair in the immediate vicinity of heating appliances, its surface must be protected from heat during operation. The temperature of the furniture components must not exceed +40 °C.
- During operation, prevent water and other liquids from coming into contact with the parts of the chair touching the floor.
- If delivered during the cold season (at air temperatures below 0 °C), allow the product to acclimate to room temperature for 2 hours before assembly to avoid plastic cracks and gas lift malfunctions.
- Use the chair in a well-ventilated room at an ambient temperature of at least +10 °C and a relative humidity of 60–70%.
- Regularly check that the backrest and armrests are securely fastened. Tighten the screws if necessary.
- Do not stand on the chair seat with your feet, as this may lead to falling and injury.
- Before using the chair for the first time, make sure all mechanisms operate properly.
- Avoid direct sunlight, placement near heating appliances, and damp or cold walls to prevent deterioration of appearance and operational properties (staining, material scorching, upholstery wear).
- Assemble the product strictly in accordance with the provided instructions.
- For cleaning, use a dry or slightly damp cotton cloth or sponge. When using cleaning agents, it is recommended to test the agent on a small, inconspicuous area of the product first to ensure no staining occurs. The use of organic solvents for cleaning the product is not permitted.

Specifications

- Model: RB-003.
- Trademark: DEXP.
- Upholstery material: Fabric.
- Base material: Plastic.
- Base width: 660 mm.
- Chair width (including armrests): 670 mm.
- Chair height: 1195–1265 mm.
- Seat height: 430–500 mm.
- Seat dimensions (W × D): 550 × 555 mm.
- Backrest dimensions (W × H): 550 × 800 mm.
- Net weight: 14 kg.
- Maximum load: 150 kg.
- Tilt mechanism: Top Gun.
- Scope of application: Domestic.

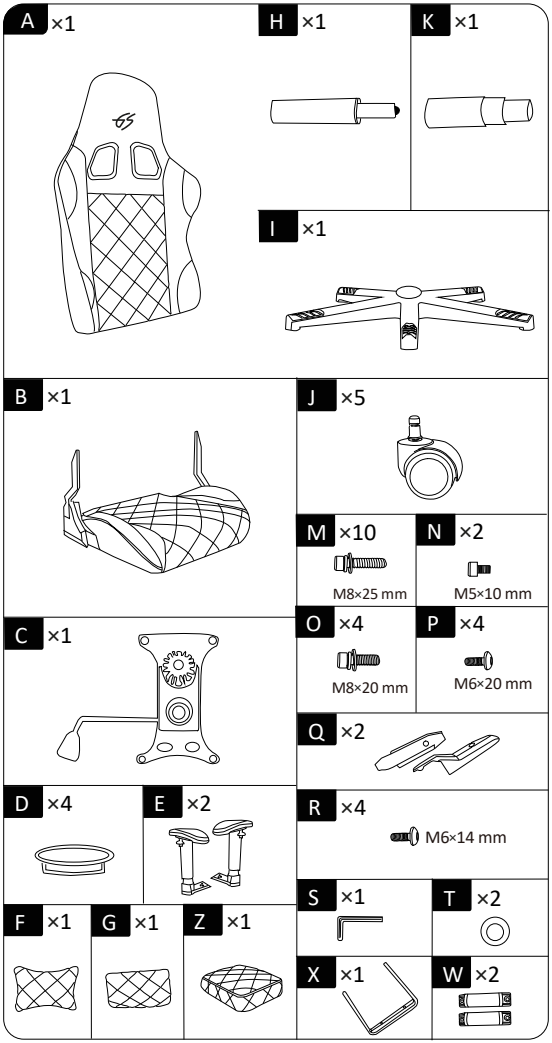

Package Contents

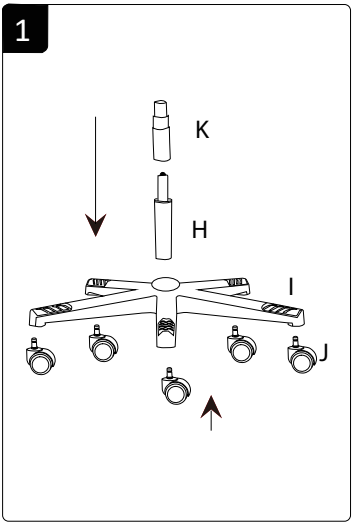

- Chair.
- User manual.

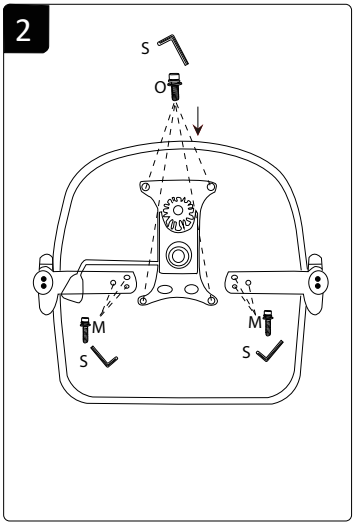

Rules and Conditions for Installation, Storage, Transportation, Sale (Distribution), and Disposal

- The installation and mounting conditions for the product are described in the «Assembly Instructions» section of this user manual.
- The product must be stored in its original packaging, on heated premises, both at the manufacturer's and at the consumer's sites. The ambient temperature should be between +5 °C and +40 °C, and the relative humidity should not exceed 80% (non-condensing). The storage area must be free from aggressive contaminants (e.g., acid or alkali vapors) that could cause corrosion.
- The product must be transported under dry conditions.
- The product requires careful handling. Protect it from exposure to dust, dirt, impact, moisture, fire, and other hazards.
- Sale or distribution of the product must be carried out in accordance with local legislation.
- Disposal of this product must be carried out in accordance with local waste recycling regulations. By ensuring proper disposal of this product, you help prevent potential harm to the environment and human health resulting from uncontrolled waste disposal and promote the sustainable reuse of material resources. For more detailed information on collection and disposal points for this product, please contact your local municipal authorities or household waste collection service.
- If a product malfunction is detected, immediately contact an authorized service center or dispose of the product.
