Dear Customer,

Thank you for choosing our products.

We are pleased to offer you appliances and devices designed and manufactured to the highest standards of quality, functionality, and design. Before using the device, please read this manual carefully. It contains important information regarding your safety, as well as recommendations for the proper use and care of the product. Please keep this manual in a safe place and use it as a reference guide during future operation of the product.

Intended Use

The chair is designed to provide comfortable working conditions.

Safety Precautions

- Do not place a load on the chair that exceeds its maximum weight capacity.
- Do not use the chair near an open flame.
- When using the chair near heating appliances, the surface must be protected from heat during operation. The temperature of heated furniture elements must not exceed +40 °C.
- During use, avoid getting water or other liquids on parts of the chair that come into contact with the floor.
- If delivered during cold weather (at air temperatures below 0 °C), allow the chair to acclimate in a room-temperature environment for 2 hours before assembly to prevent plastic cracks and gas lift malfunctions.
- Chairs and seating should be used in a ventilated room with an air temperature of at least +10 °C and a relative humidity of 60–70%.
- Regularly check the fastenings of the chair parts (backrest, armrests); tighten the screws if necessary.
- Do not stand on the chair seat, as this may cause falls and injury.
- Before using the chair for the first time, check that all mechanisms are functioning properly.
- Avoid direct sunlight, placement near heating appliances, damp or cold walls to prevent deterioration of appearance and performance (stains, leather burn-through, fabric wear).
- Assemble the product strictly in accordance with the supplied instructions.
- To clean the chair, use a dry or slightly damp cotton cloth or sponge. If using cleaning agents, it is recommended to first test the product on a small, inconspicuous area to ensure it does not leave stains or cause damage. Do not use organic solvents to clean the chair.

Chair Dimensions

Specifications

- Model: RB-018.
- Trademark: DEXP.
- Upholstery material: Mesh.
- Base material: Plastic.
- Base width: 520 mm.
- Chair width (including armrests): 492 mm.
- Chair height: 1140–1210 mm.
- Seat height: 450–520 mm.
- Seat dimensions (W × D): 492 × 520 mm.
- Backrest dimensions (W × H): 510 × 700 mm.
- Net weight: 20.5 kg.
- Max. load: 150 kg.
- Tilt mechanism: Synchronous.
- Scope of application: Domestic.

Package Contents

- Chair.
- Assembly kit.
- User manual.

Rules and Conditions for Installation, Storage, Transportation, Sale (Distribution), and Disposal

- The installation and mounting conditions for the device are described in the “Assembly” section of this user manual.
- The device must be stored in its original packaging, on heated premises, both at the manufacturer’s and at the consumer’s sites. The ambient temperature should be between +5 °C and +40 °C, and the relative humidity should not exceed 80% (non-condensing). The storage area must be free from aggressive contaminants (e.g., acid or alkali vapors) that could cause corrosion.
- The device must be transported in a dry place.
- The device requires careful handling. Protect it from exposure to dust, dirt, impact, moisture, fire, and other hazards.
- Sale or distribution of the product must be carried out in accordance with local legislation.
- Disposal of this device must be carried out in accordance with local waste recycling regulations. By ensuring proper disposal of this product, you help prevent potential harm to the environment and human health resulting from uncontrolled waste disposal and promote the sustainable reuse of material resources. For more detailed information on collection and disposal points for this product, please contact your local municipal authorities or household waste collection service.
- If product damage is detected, immediately contact an authorized service center or dispose of the product.
