

User Manual

Wired Headphones
Famuli

Fiero

Dear Customer,

Thank you for choosing our products.

We are pleased to offer you appliances and devices designed and manufactured to the highest standards of quality, functionality, and design. Before using the device, please read this manual carefully. It contains important information regarding your safety, as well as recommendations for the proper use and care of the product. Please keep this manual in a safe place and use it as a reference guide during future operation of the product.

Intended Use

The headphones are a device for personal listening to music, speech, or other audio signals.

Safety Precautions

- Do not make any modifications to the device's design, as this may damage the device and void your warranty.
- Do not expose the device to excessively high/low temperatures, dust, humidity, direct sunlight, strong vibration, or electromagnetic radiation.
- To prevent short circuits, do not allow the device to come into contact with any liquids, and do not place open containers of liquid near it.
- To avoid hearing damage, use the headphones only at safe volume levels.
- Avoid dropping the device or striking it against hard surfaces.
- Use a soft cotton cloth to clean the device's surface. Do not use metal brushes and/or abrasive cleaning agents, as this may damage the device.
- The manufacturer does not guarantee full compatibility of the device with any third-party applications, or the correct operation of such applications.
- This device is not intended for commercial use.
- This device is not intended for use by children or persons with reduced physical, sensory, or mental capabilities, unless they are supervised by a person responsible for their safety. Do not allow children to play with the device.

Operating Instructions

1. Connect the headphones to a power source using the cable.

Note: The headphones are supplied with a 6.3 mm jack adapter (see image below). To connect to a source via a 3.5 mm jack, unscrew the adapter.

2. Adjust the position of the headphones.
3. Set the desired volume level.

Specifications

- Model: Famuli.
- Trademark: Fiero.
- Sensitivity: 100 ± 3 dB.
- Frequency range: 10 Hz – 32 kHz.
- Impedance: 32 Ω .
- Maximum sound pressure level: 99 dB.
- Connection type: Wired.

Rules and Conditions for Installation, Storage, Transportation, Sale (Distribution), and Disposal

- This device requires no assembly or mounting.
- The device must be stored in its original packaging, on heated premises, both at the manufacturer's and at the consumer's sites. The ambient temperature should be between +5 °C and +40 °C, and the relative humidity should not exceed 80% (non-condensing). The storage area must be free from aggressive contaminants (e.g., acid or alkali vapors) that could cause corrosion.
- The device must be transported in a dry place.
- The device requires careful handling. Protect it from exposure to dust, dirt, impact, moisture, fire, and other hazards.
- Sale or distribution of the device must be carried out in accordance with local legislation.
- Upon expiration of the device's service life, it must not be disposed of with unsorted household waste. Instead, it must be taken to an authorized collection point for electrical and electronic equipment for subsequent recycling and disposal in accordance with federal or local legislation. By ensuring proper disposal of this product, you help conserve natural resources and prevent potential harm to the environment and human health that may result from improper handling. For more detailed information about collection and disposal points for this product, please contact your local municipal authorities or your household waste disposal service.
- If a device malfunction is detected, immediately contact an authorized service center or dispose of the device.
