User Manual

Wired Headphones
Myth

Fiero

Dear Customer,

Thank you for choosing our products.
We are pleased to offer you appliances and devices designed and manufactured to the highest standards of quality, functionality, and design. Before using the device, please read this manual carefully. It contains important information regarding your safety, as well as recommendations for the proper use and care of the product. Please keep this manual in a safe place and use it as a reference guide during future operation of the product.

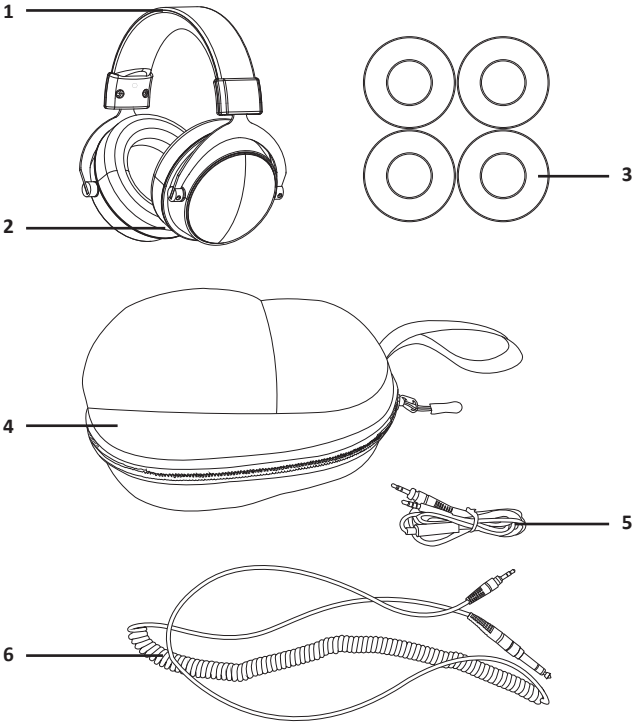

Intended Use

Headphones are a device for personal listening to music, speech, or other audio signals.

Safety Precautions

- Do not make any modifications to the device's design, as this may cause damage and void the warranty.
- To avoid a short circuit, do not expose the device to any liquids, and do not place open containers of liquid near it.
- Do not expose the device to electromagnetic radiation.
- Do not drop, strike, or shake the device to avoid damaging internal components.
- To prevent hearing damage, use the headphones only at safe volume levels.
- Do not use the device if the cable is damaged.
- Clean the surface of the device from dirt and dust using a soft, dry cloth. Do not use chemical or abrasive agents, as they may damage the plastic coating.
- This device is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of appliance by a person responsible for their safety. Children should be supervised to ensure that they do not play with the device.
- This device is not intended for commercial use.

Device Diagram

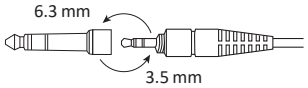

1. Headband.
2. Ear cushions.
3. Replacement ear cushions.
4. Carrying case.
5. Cable with microphone.
6. Coiled cable.

Operating Instructions

1. Select the ear cushions that suit you from the supplied set.
2. Take the coiled cable or the cable with a microphone. Connect one end of the cable to the audio jack located at the bottom of the headphones.
3. Connect the other end of the cable to the appropriate audio output jack of the source device (PC, smartphone, etc.).
4. Adjust the position of the headphones on your head. Set the playback volume on the source device to a comfortable level.

Notes

- The cable with a microphone can only be connected to a 3.5 mm jack. To connect the microphone cable to a 6.3 mm jack, use an adapter (not included). Please note that the microphone will not function when connected this way.
- The coiled cable is equipped with a 6.3 mm adapter, which can be attached or removed as needed.

Specifications

- Model: WDH-560.
- Trademark: Fiero.
- Ear cushions diameter: 100 mm.
- Speaker driver size: 50 mm.
- Cable length: 3.9 m (coiled cable), 1.2 m (cable with microphone).
- Impedance: 80 Ω.
- Connector type: 3.5 mm jack, 6.3 mm jack.
- Sensitivity: 94 dB ± 3 dB.
- Ear cushion material: Leather, fabric, velour.
- Scope of application: Domestic.

- Device.
- Ear cushions (2 sets).
- 3.5 mm (M) to 3.5 mm (M) cables (2 pcs).
- 3.5 mm (M) to 6.3 mm adapter.
- Carrying case.
- User manual.

Rules and Conditions for Installation, Storage, Transportation, Sale (Distribution), and Disposal

- This device requires no assembly or mounting.
- The device must be stored in its original packaging, on heated premises, both at the manufacturer's and at the consumer's sites. The ambient temperature should be between +5 °C and +40 °C, and the relative humidity should not exceed 80% (non-condensing). The storage area must be free from aggressive contaminants (e.g., acid or alkali vapors) that could cause corrosion.
- The device must be transported in a dry place.
- The device requires careful handling. Protect it from exposure to dust, dirt, impact, moisture, fire, and other hazards.
- Sale or distribution of the device must be carried out in accordance with local legislation.
- Upon expiration of the device's service life, it must not be disposed of with unsorted household waste. Instead, it must be taken to an authorized collection point for electrical and electronic equipment for subsequent recycling and disposal in accordance with federal or local legislation. By ensuring proper disposal of this product, you help conserve natural resources and prevent potential harm to the environment and human health that may result from improper handling. For more detailed information about collection and disposal points for this product, please contact your local municipal authorities or your household waste disposal service.
- If a device malfunction is detected, immediately contact an authorized service center or dispose of the device.

Warranty Information

The manufacturer guarantees the device will function properly throughout the warranty period and be free from defects in materials and assembly. The warranty period commences on the date of purchase and applies to new products only. Warranty service includes free repair or replacement of defective parts that fail during the warranty period, provided the failure is not caused by consumer misuse and the product is operated in accordance with the user manual. Repairs or part replacements shall be performed at authorized service centers.

Warranty Period: 12 months
Service Life: 24 months
