#### Dear Customer,

Thank you for choosing our products.

We are pleased to offer you appliances and devices designed and manufactured to the highest standards of quality, functionality, and design. Before using the device, please read this manual carefully. It contains important information regarding your safety, as well as recommendations for the proper use and care of the product. Please keep this manual in a safe place and use it as a reference guide during future operation of the product.

#### Intended Use

The TWS headset features Bluetooth wireless technology and is designed for personal listening to music, speech, or other audio signals, as well as for voice communication.

#### Safety Precautions

- Do not expose the device to excessively high/low temperatures, dust, humidity, direct sunlight, strong vibration, or strong electromagnetic radiation.
- Prolonged use of headphones at excessively high volume may cause hearing loss.
- Avoid spilling liquid on the device. Do not use the device in areas where there is a risk of it falling into water (e.g., swimming pools, bodies of water, bathtubs, etc.).
- The manufacturer does not guarantee full compatibility of the device with any third-party applications or the correct operation of these applications.

- Avoid dropping the device from heights or subjecting it to impacts against hard surfaces.
- Please note that the battery reaches its maximum performance after two to three full charge and discharge cycles.
- Use only manufacturer-approved chargers and accessories. Using other accessories voids the warranty and may be dangerous.
- The manufacturer reserves the right to make changes to the device specifications without prior notice. We apologize for any inconvenience this may cause.
- Use a soft cotton cloth to clean the device body. Do not use chemical substances, as they may damage the device.
- This device is not intended for commercial use.
- This device is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of appliance by a person responsible for their safety. Children should be supervised to ensure that they do not play with the device.

#### Rechargeable Battery Guidelines (Li-pol/Li-ion)

- Use only the original charging cable with the device.
- Observe the temperature requirements. Batteries should be stored in a charged state at temperatures between +15°C and +35°C with normal humidity. Batteries do not perform well when operated for

extended periods in extremely high (above +40°C) or low (below -10°C) ambient temperatures. Do not leave the battery in direct sunlight.

- Do not disassemble, incinerate, or use batteries that show signs of damage.

#### Specifications

- Model: F1
- Trademark: Kenshi
- Power supply: 5 V, 300 mA
- Bluetooth version: 5.4
- Wireless standard: IEEE 802.15.1
- Bluetooth frequency range: 2400–2483.5 MHz
- Transmitter power: 5 mW
- Bluetooth wireless range: Up to 10 m
- Supported codecs: SBC, AAC
- Speaker frequency range: 20 Hz – 20 kHz
- Diaphragm diameter: 13 mm
- Impedance: 32 Ω
- Battery type: Li-Pol
- Charging connector: Type-C
- Earbud battery capacity: 33 mA·h
- Case battery capacity: 300 mA·h
- Talk time: up to 3.5 hours
- Earbud charging time: up to 1.5 hours
- Case charging time: 2 hours
- Weight: 44 g

#### Package Contents

- Earbuds
- Charging case
- Ear tips
- Type-C cable
- User manual

## Device Diagram

5

## Operating Instructions

### CAUTION: Do not use fast charging.

While charging the case and earbuds, the LED display shows the current battery level. When fully charged, the indicator stops flashing.

### Power On

1. Take the earbuds out of the case, and they will turn on automatically.
2. Press and hold the touch panel for 3 seconds to turn on the earbuds manually.

### Power Off

1. Place the earbuds in the case to turn them off automatically.
2. Press and hold the touch panel for 5 seconds to turn the earbuds off manually.

6

## Pairing with a Phone

1. Take the earbuds out of the case.
2. Open **Bluetooth** settings on your device.
3. Select the **Kenshi F1** device from the list to pair.

### Left Earbud

- Single tap: Pause/Play.
- Double tap: Toggle Active Noise Cancellation/Transparency mode.
- Triple tap: Gaming/Music mode.
- Press and hold for 2 seconds to switch track/end call.

### Right Earbud

- Single tap: Pause/Play.
- Double tap: Activate voice assistant.
- Triple tap: Gaming/Music mode.
- Press and hold for 2 seconds to switch track/end call.

7

## Call

## Charging the Earbuds

Insert the earbuds into the case to charge them automatically.

## Rules and Conditions for Installation, Storage, Transportation, Sale (Distribution), and Disposal

- This device requires no assembly or mounting.
- The device must be stored in its original packaging, on heated premises, both at the manufacturer's and at the consumer's sites. The ambient temperature should be between +5 °C and +40 °C, and the relative humidity should not exceed 80% (non-condensing). The storage area must be free from aggressive contaminants (e.g., acid or alkali vapors) that could cause corrosion.
- The device must be transported in a dry place.
- The device requires careful handling. Protect it from exposure to dust, dirt, impact, moisture, fire, and other hazards.
- Sale or distribution of the device must be carried out in accordance with local legislation.
- Upon expiration of the device's service life, it must not be disposed of with unsorted household waste. Instead, it must be taken to an authorized collection point for electrical and electronic equipment for subsequent recycling and disposal in accordance with federal or local legislation. By ensuring proper disposal of this product, you help conserve natural resources and prevent potential harm to the environment and human health that may result from improper handling. For more detailed information about collection and

9

disposal points for this product, please contact your local municipal authorities or your household waste disposal service.

- If a device malfunction is detected, immediately contact an authorized service center or dispose of the device.

### Warranty Information

The manufacturer guarantees the device will function properly throughout the warranty period and be free from defects in materials and assembly. The warranty period commences on the date of purchase and applies to new products only. Warranty service includes free repair or replacement of defective parts that fail during the warranty period, provided the failure is not caused by consumer misuse and the product is operated in accordance with the user manual. Repairs or part replacements shall be performed at authorized service centers.

**Warranty Period:** 12 months.

**Service Life:** 12 months.
